

I have the honour to enclose the desired testimony on the second letter. This letter was written by the same hand as the letter B ; and there is not the remotest similarity between A and C.

In furnishing this, I remain, &c.,

(Signed)

ERNST SCHÜTZE,
*Caligraphist to the Court of H. M.
the Emperor of Germany.*

The testimony enclosed could not be reproduced in ordinary print, as it includes a great number of letters copied from the documents under examination, with their peculiarities of formation. It concludes by affirming that,—

The letter A, which is written in ink, has not the remotest resemblance with the letter B, according to the standpoint of a caligraphist, and they are of different handwritings. This, my expert testimony, I give on the oath, taken by me, once for all, as an expert in handwriting.

(Signed as before.)
